### **After School club**

Dear Parents,

We are considering starting an after-school club which will be run at Pre-school. This, initially, will be run Monday through to Thursday and close at 5.15. Members of staff will collect the children from school and walk the children back to the village hall where they will be able to play until you collect them. We plan to use the current Pre-School room which will give the children access to the garden to allow fresh air and activity.

We will provide a light snack of toast/crumpets/tea cakes etc at around 4pm to keep the children going until collection.

The cost will be a standard rate of £8 which will be chargeable for each session booked, and sessions can be booked on a half termly basis.

Please complete and return this to register your interest.
