

Reading for pleasure:

PTFA Books

Dear Parents/Carers

At West Hill Primary School, we strongly believe that all our children should develop a lifelong love of reading. In order to help foster this, our fantastic PTFA kindly purchased a whole set of beautiful books for each class!

The purpose of these lovely books is for you to read to your child, rather than expecting them to attempt to read them.

We are delighted to be able to send one of these home with your child today.

We will send a new one home once a fortnight.

- **Fortnightly on a Monday** a new book will be sent home.
- Please **return this book by Thursday of the second week**.
(This gives us time to swap them around in readiness for the following Monday.)
For example: book sent home Monday 4th November – please return on Thursday 14th November.

Happy reading!

The Reception Team
