

# Our Aspirations for Reception Class

## PSED

**Caring citizens** who can make positive friendships, enjoy being part of a wider community, and can share, cooperate and know how to stay healthy.

## PD

**Physical active** children who enjoy moving and playing energetically, safely and with coordination.  
Children who confidently use pencils and simple tools effectively and with confidence.

## Maths

**Mathematicians** who love spotting patterns, can notice numbers in different ways and are confident to solve problems in a range of real life situations.

## C+L

**Communicators** who are able to listen to one another and value what each other says; confident speakers in a range of situations.

## Literacy

**Readers** who love listening to stories.  
Who are able to use phonic skills to decode words and begin to recognise lots of common words.  
**Writers** who can confidently write for a range of different purposes, using phonics to help construct simple sentences.

## UW

**Explorers** who enjoy making sense of their physical world and community. They describe what they see, hear, and feel whilst outside.

## EAD

**Creators** who use their imaginations to express themselves and communicate through the arts. They engage in music making and dance. They use a range materials and artistic effects.
